

# Open house

At Pinsent Masons LLP we are committed to being open & approachable in everything we do, this is why we are inviting you to attend an open evening at one of our UK offices. This will allow you to find out more about the work of an international law firm and the career opportunities available to you at Pinsent Masons.

By attending, you will be able to meet a number of our partners, associates and trainees and ask them any questions you may have about a career in commercial law.

In addition to a tour of the office, the evening will also include group talks and interactive workshops, which will provide you with detailed information about the firm, our clients, our training contract and the skills you will need to develop if you are to become a successful commercial lawyer.

17-25 January 2011 (dates vary by location)  
5:30pm
